THE SLEIGH & THE CUTTER WINTER SPICE & GINGERBREAD

TASTING NOTES - THE SLEIGH

All-spice, cinnamon, cloves and nutmeg – the perfect combination of seasonal spices. Add our organic apple cider and you've got the holidays in a bottle. With aromas of warm apple pie on the nose, followed by buttery cinnamon notes in the body, this one is sure to conjure up some Yuletide memories.

ABV 5.5%

TASTING NOTES - THE CUTTER

The Cutter captures the best of fresh baked gingerbread – bright, light aromas of ginger, with well-rounded notes of molasses and spiced baked apples in the body. It's the perfect companion for the holiday season. Believe us, you're going to want to run, run, run as fast as you can to get your hands on this one.
